- International Relations Department T. TANAKA
- JAXA Washington D.C. Office N. KAMIMORI
- JAXA Paris Office S. ARAKI
- JAXA Bangkok Office S. MIZUMOTO
- Security Administration Office T. SATO
- Tsukuba Space Center Administration Department Y. KAWADA
- Chofu Aerospace Center Administration Department M. ABE
- (Senior Chief Engineer)** K. TOMIOKA
- (Chief Engineer) T. NAKAMURA
- (Chief Engineer) A. TSUJIHATA
- (Chief Engineer) A. MURAKAMI
- (Chief Engineer) K. MITSUDA
- (Chief Engineer) S. UENO
- (Chief Engineer) M. TAKAHASHI
- Systems Engineering Office S. OGAWA
- (Senior Chief Officer of Information Systems)** H. OHYA
- JAXA's Engineering Digital Innovation Center E. SHIMA
- Information Systems Department K. YANAGAWA
- (Senior Chief Officer of Safety and Mission Assurance)** H. HASEGAWA
- Safety and Mission Assurance Department N. TAKEUCHI
- Ground Facilities Department K. ARAI
- Spectrum Management Office T. NOUMI
- Consolidated Space Tracking and Data Acquisition Department K. NARITA
- Masuda Tracking and Communication Station M. SUGAWARA
- Katsura Tracking and Communication Station M. SUGAWARA
- Okinawa Tracking and Communication Station M. SUGAWARA
- Usuda Deep Space Center Z. YAMAMOTO
- Environmental Test Technology Center T. NISHIDA
- Space Education Center E. HIROHAMA
- Promotion Office for Collaboration with Universities and Research Institut T. ABE

Space Transportation Mission Directorate (Executive Director) M. ENDO

- Program Management and Integration Department Y. FUNO
- Space Transportation Program Systems Engineering Office T. NAKAMURA
- Space Transportation Program Safety and Mission Assurance Office Y. KANO
- Launch Safety Assessment Office A. EGUCHI
- (Senior Chief Officer of Space Transportation System Research and development)** M. ENDO
- Space Transportation System Research and Development Center K. OKITA
- Space Transportation Propulsion Research and Development Center T. KANDA
- Space Transportation Subsystem Research and Development Center T. IZUMI
- Innovative Launch Capabilities Office T. FUJITA
- H-11B Project Team (H-11B Launch Vehicle Project Team) T. UJINO
- LNG Propulsion Project Team T. MUNENAGA
- Epsilon Rocket Project Team Y. MORITA
- H-II-A Upgrade Project Team T. FUJITA
- Kagoshima Space Center R. NAGAO
- Uchinoura Space Center K. MINESUGI
- Kakuda Space Center K. NODA

Space Applications Mission Directorate (Executive Director) M. HOMMA

- Program Management and Integration Department K. TACHI
- Safety and Mission Assurance Office M. IZUMIDA
- Space Cooperation Office for Asia Pacific Region C. KAWAMOTO
- (Senior Chief Officer of Space Applications)** T. DOURA
- Satellite Applications and Promotion Center J. GOMI
- Earth Observation Research Center (EORC) T. FUKUDA
- Earth Observation Center (EOC) M. FURUICHI
- Mission Operations System Office T. TAKESHIMA
- (Senior Chief Officer of International Cooperation for Space Applications)** M. KAJII
- (Senior Chief Officer of Satellite Systems Development)** M. HOMMA
- Space Applications Program Systems Engineering Office A. TSUJIHATA
- GCOM Project Team (Global Change Observation Mission Project Team) K. NAKAGAWA
- GPM/DPR Project Team (Global Precipitation Measurement / Dual-Frequency Precipitation Radar Project Team) M. KOJIMA
- EarthCARE/CPR Project Team (Earth Cloud, Aerosol and Radiation Cloud Profiling Radar Project Team) T. KIMURA
- ALOS-2 Project Team (Advanced Land Observing Satellite-2 Project Team) Y. OSAWA

Human Space Systems and Utilization Mission Directorate (Executive Director) Y. HASEGAWA

- (ISS Program Manager)** T. YOKOYAMA
- Program Management and Integration Department S. UENO
- Human Space Program Systems Engineering Office S. UENO
- Japanese Experiment Module (JEM) Mission Operations and Integration Center K. KURAOKA
- HTV Project Team (H-II Transfer Vehicle Project Team) Y. KOYARI
- Space Environment Utilization Center Y. YOSHIMURA
- Human Space Technology and Astronauts Department T. ARUGA
- ISS Cargo Return Vehicle Research and Development Office Y. SUZUKI
- Human Space Safety and Mission Assurance Office M. OZAWA
- JAXA Houston Office M. MIYAKE
- JAXA Moscow Office A. KOSAKA

Aerospace Research and Development Directorate (Executive Director) T. ISHIKAWA (Associate Executive Director) Y. NAKAMURA

- Program Management and Integration Department M. ABE
- Safety and Quality Assurance Office N. YAMADA
- (Senior Chief Officer of Disciplinary Engineering)** T. ISHIKAWA
- Guidance and Control Group T. IWATA
- Trajectory and Navigation Group N. ISHII
- Propulsion Group K. KAJIWARA
- Thermal Systems Group H. OGAWA
- Electronic Devices and Materials Group T. TAMURA
- Space Power Systems Group H. KUSAWAKE
- Telecommunications and Data Handling Group M. SHIMADA
- Space Environment Group H. MATSUMOTO
- Spacecraft Structures and Mechanisms Group K. KOMATSU
- Airframes and Structures Group T. NAKAMURA
- Fluid Dynamics Group Y. IWAKORI
- Numerical Analysis Group S. WATANABE
- Y. MATSUO
- (Senior Chief Officer of Space Engineering)** Y. NAKAMURA
- Space Technology Demonstration Research Center K. HIRAKO
- Innovative Technology Research Center S. KIBE
- (Senior Chief Officer of Aviation Engineering and Research)** M. SHIROMIZU
- Jet Engine Technology Research Center T. NISHIZAWA
- Flight Research Center M. YANAGIHARA
- Wind Tunnel Technology Center S. WATANABE

Institute of Space and Astronautical Science (ISAS) (Director General of Institute of Space and Astronautical Science) J. ONODA

- (Deputy Director General of Institute of Space and Astronautical Science)** K. FUJII
- Management and Integration Department K. SUZUKI
- Director for International Strategy and Coordination T. TAKAHASHI
- Director for Education and Public Outreach S. SAKAMOTO
- (Research Director)** M. NAKAMURA
- Department of Space Astronomy and Astrophysics** K. MITSUDA
- Department of Solar System Sciences** M. FUJIMOTO
- Department of Interdisciplinary Space Science** T. YOSHIDA
- Department of Space Flight Systems** Y. MORITA
- Department of Spacecraft Engineering** T. HASHIMOTO
- (Program Director)** Y. INATANI
- ISAS Program Office M. UENO
- Space Science Program Systems Engineering Office K. MITSUDA
- Safety and Quality Assurance Office Y. SHIMIZU
- Akebono Project Team A. MATSUOKA
- GEOTAIL Project Team I. SHINOHARA
- ASTRO-E/II Project Team K. MITSUDA
- ASTRO-F Project Team H. MURAKAMI
- SOLAR-B Project Team T. SAKAO
- INDEX Project Team H. SAITO
- PLANET-C Project Team M. NAKAMURA
- Bepi Colombo Project Team H. HAYAKAWA
- ASTRO-G Project Team H. SAITO
- ASTRO-H Project Team T. TAKAHASHI
- Small Science Satellite Project Team S. SAWAI
- Research and Operation Office for Scientific Ballooning T. YOSHIDA
- Research and Operation Office for Sounding Rocket N. ISHII
- Nishino Rocket Testing Center S. SUDA
- ISS Science Project Office M. TAKAYANAGI
- Center for Science Satellite Operation and Data Archive Y. KAMATA
- (Senior Chief Officer of Space Science and Disciplinary Engineering)** Y. INATANI
- Mission Instrument Technology Group M. UENO
- Test and Operation Technology Group Y. MATSUZAKA
- Navigation, Guidance and Control Group N. ISHII
- Propulsion Group K. KAJIWARA
- Thermal Systems and Fluid Dynamics Group H. OGAWA
- Structures, Mechanics and Materials Group E. SATO
- Electronic Devices and Space Power System Group K. HIROSE
- Telecommunications and Data Handling Group S. KAWASAKI

Aviation Program Group (APG) (Executive Director) T. ISHIKAWA

- (Program Director)** T. IWAMIYA
- Program Management and Integration Department T. IWAMIYA
- Aviation Program Systems Engineering Office A. MURAKAMI
- Safety and Quality Assurance Office N. YAMADA
- External Cooperation Promotion Office K. NARISAWA
- Civil Transport Team Y. OHNOKI
- Clean Engine Team R. YANAGI
- Supersonic Transport Team K. YOSHIDA
- D-SEND Project Team K. YOSHIDA
- Operation and Safety Technology Team M. HIRIGAE
- Unmanned and Innovative Aircraft Team S. SASA

Lunar and Planetary Exploration Program Group (Managing Director) Y. YAMAURA

- (Program Director)** H. KUNINAKA
- Program Management and Integration Office M. TAKAHASHI
- Lunar and Planetary Exploration Program Systems Engineering Office M. TAKAHASHI
- Research and Development Office S. NISHIDA
- Hayabusa Project Team M. YOSHIKAWA
- Hayabusa2 Project Team M. YOSHIKAWA

Information Gathering Satellite Systems Development Group
